

AFTER SCHOOL BASKETBALL @ GESAC

TRAINING AND COMPETITION 4:00-6:15PM

PRIMARY YEARS 1-3 WEDNESDAYS, YEARS 2-5 FRIDAYS

Would you like your child to learn basketball in an after-school training program leading to competition also after-school?

Playball Basketball operates at GESAC, Bentleigh East on Wed's & Fridays 4:00-6:15pm

Playball has operated throughout Melbourne for 17 years catering for primary school children with over 280 teams currently competing weekly. Playball is an affiliate of Basketball Victoria.

Training & competition for Primary Year 1-3 is on Wednesdays at the 3 court Glen Eira Sports & Aquatic Centre (**GESAC**). Year 2-5 children also train & compete at GESAC on Fridays.

New teams are trained in basketball skills by Playball's experienced Coaches. Training sessions include a short game. After a Term of training, children enter competition playing other new teams.

Times rotate b/w 4:00, 4:45 & 5:30PM. Teams are graded and cater for children in **boys & girls** competitions. Teams are composed of children from the same school.

Teams require a parent Team Manager. A Coach is required for competition. Playball conducts coaches training in Term 2 to assist parent Coaches.

When competing, modified rules apply to enhance children's enjoyment and skill development. Graded referees explain decisions so children learn the game. At the season's end, there is a presentation.

To train or compete in an 8-week school term, including sports injury insurance, registration, & no door charge, is approx. **\$72.00 per player.** (Based on a team fee of \$576, divided by 8 players)
