

AFTER SCHOOL BASKETBALL

YEARS 1 & 2 - WEDNESDAYS TERM 1 2020

Your child today attended a basketball clinic held at school & has shown interest in an **After-School** basketball training program leading to competition.

Teams require a parent **Team Manager**. A Coach is required for competition. Playball conducts coaches training.

Training & competition for Year 1-2 is on Wednesdays at the **GESAC** Bentleigh East. (Year 3-4 compete Fridays)

Times rotate b/w 4:05, 4:50 & 5:30PM. Teams are graded and cater for children in **Boys, Girl & Mixed** competitions. Teams are composed of children from the same school.

New teams are trained in basketball skills throughout Term 1 2020, by Playball's **experienced Coaches**. Thirty minutes of training followed by a short practice game. After a Term of training, children enter competition playing other new teams.

When competing, modified rules apply to enhance children's enjoyment & skill development. Graded referees explain decisions, so children learn the game.

At the season's end, there is a presentation.

To train in an 8-week school term, including sports injury insurance, registration, & no door charge, is approx. **\$96.00 per player**. (based on a team fee of \$770, divided by 8 players)

Playball Basketball established in 1995 is an affiliate of Basketball Victoria. Its emphasis is on participation, teamwork, skill development, sportsmanship and most of all, having fun. Playball is conducted throughout the school year with 3000 primary school children participating weekly.
