Toilets	Cleaned daily, follow social distancing rules	Cleaned daily, follow social distancing rules	Cleaned Daily

REFEREE / BSO INFORMATION

No cross-over of attendance between games

Teams must immediately vacate a court on completion of a game and teams may only enter the stadium at the assigned time and the court when it has been vacated.

Team Arrival

Participants must enter via the designated **ENTRY** & exit through the designated **EXIT** to reduce the risk of transmission from Group A to Group B.

Hand Sanitiser

Within the Playball equipment bag will be two Hand Sanitiser bottles. One to be placed at the stadium entry and one on the score table.

Basketballs in stadiums & sanitising

The Playball gameball should be sanitised prior to use and in between each game with supplied Anti-Bacterial Wipes. Teams are limited to a maximum of **two additional balls** in the stadium at any time. Any basketball brought into a stadium is to be sanitised prior to use.

Biosafety Officer (BSO)

The BSO will ensure teams quickly vacate the court on completion of a game, ensure a team cannot enter the court until it is vacant and undertake a head count prior to a game. The game must not commence until this is completed. At a single court stadium, the BSO will be a Referee. A BSO **High-VIS-Vest** is in each equipment bag to wear in-between games.

Breaks between games and/or training

Scheduling of games will have a 20-minute differential between games. This guideline is designed to allow time for Group A to depart the stadium prior to Group B arriving and for staff to complete sanitization requirements.

Capacity Control

Members should, at all times maintain strict counting of capacity within the stadium and on each court to ensure that limits are not exceeded. This is to be completed and recorded by the BSO on the Game Day Checklist.

Contact Risk Mitigation

Participants are encouraged to shower at home with soap prior to and immediately following all activity. Participants are encouraged to arrive at the venue ready to participate.

Hand hygiene during training or competition

Players will be required to use hand sanitisers at every break in the game, including timeouts, and when substituting in and out of the game. Team Managers, will be encouraged to bring their own Team hand sanitiser.

Non-Essential Services

Changerooms, water fountains, general seating areas to remain closed in accordance with the relevant reactivation level. Participants should arrive at a stadium ready to compete.

Referees & other officials

Basketball Victoria recommends if the referee is aware the court is not complying with the Return to Sport Guidelines, they should advise the BSO to remedy, and the game should be stopped (clock still runs), until the situation has been corrected. Referees are not to officiate when feeling unwell. Use hand sanitiser at every break in the game.

Sanitisation

Playball Bio-safety Officer to sanitise **scoreboard-controllers, score-benches, bench-seating** if fixed, and any other essential equipment that may have been used by Group A, prior to use by Group B, to reduce the risk of transmission.

Stadium Entry Signage

Playball will supply Referee/BSO signage prepared by BV to use at stadiums, including ENTRY & EXIT signs.

Toilets & Change Rooms

Toilet facilities should be available for use. Prior to stadium departure at a single court venue, the Playball BSO is to wipe down with disposable single-use wipe all high touch areas within the bathroom including tap handles and toilet flush buttons.

Uniform Hire

It is recommended to refrain from providing hire uniforms during the COVID-19 pandemic period or if lent out to a team, uniforms are required to be washed prior to being lent out again – compensation will be provided to referees for this expense.

BIOSAFETY OFFICER POSITION DESCRIPTION

Basketball Victoria provides the following position description for the role of Biosafety Officer. Members are reminded that the nominated person may perform multiple duties on the same night, provided they can adequately monitor the compliance of the venue with the Return to Sport Guidelines.

Position Description

Basketball Victoria (BV) is committed to the safe return to sport of all participants following the COVID-19 pandemic. To monitor and manage the reactivation of the sport, Basketball Victoria has committed to the Victorian Government that all venues will have a nominated Biosafety Officer (BSO) wherever the venue is in use. The following Position Description outlines the duties of this role.

Who

- The BSO may hold multiple duties at the same time provided, they can prioritise the responsibilities of the BSO role when required. At a single court facility, a Referee will be the BSO.
- The BSO must be clearly identifiable within a venue at any time, by wearing a High-Vis-Vest or similar.

Purpose

- To monitor and report on a venue's compliance to Basketball Victoria's Return to Sport Guidelines (RTS Guidelines);
- To record the number of people within a venue at a time;
- To minimise the risk of person to person transmission of COVID-19 within a venue;
- To provide necessary information to Playball in the event of a positive COVID-19 test from one of the participants;

Duties

- will monitor no more than four (4) courts at a time;
- will complete the venue checklist prior to the commencement of training or games;
- will complete the venue checklist and record the number of participants within the venue during each allocated training or game timeslot;
- will ensure that equipment is sanitised in accordance with the RTS Guidelines;
- when required, will ask patrons to separate, or leave the venue to comply with the RTS Guidelines;
- will return a signed checklist at the end of their shift.
- will report any participant refusing to follow reasonable requests to Playball Management

Signage available

COVID-19 INFORMATION

GAME OFFICIALS INFORMATION

What you need to know

Coronaviruses are a type of virus that can affect humans and animals. Some coronaviruses cause illnesses similar to the common cold and others cause more serious illnesses, including Severe Acute Respiratory Syndrome (SARS) and Middle East Respiratory Syndrome (MERS).

All Basketball Victoria members are responsible for working to stop the spread of the virus. The following guidelines are designed to assist in understanding ways that you can help.

What can you do to slow the spread

Do not enter the stadium if you exhibit any of these symptoms
